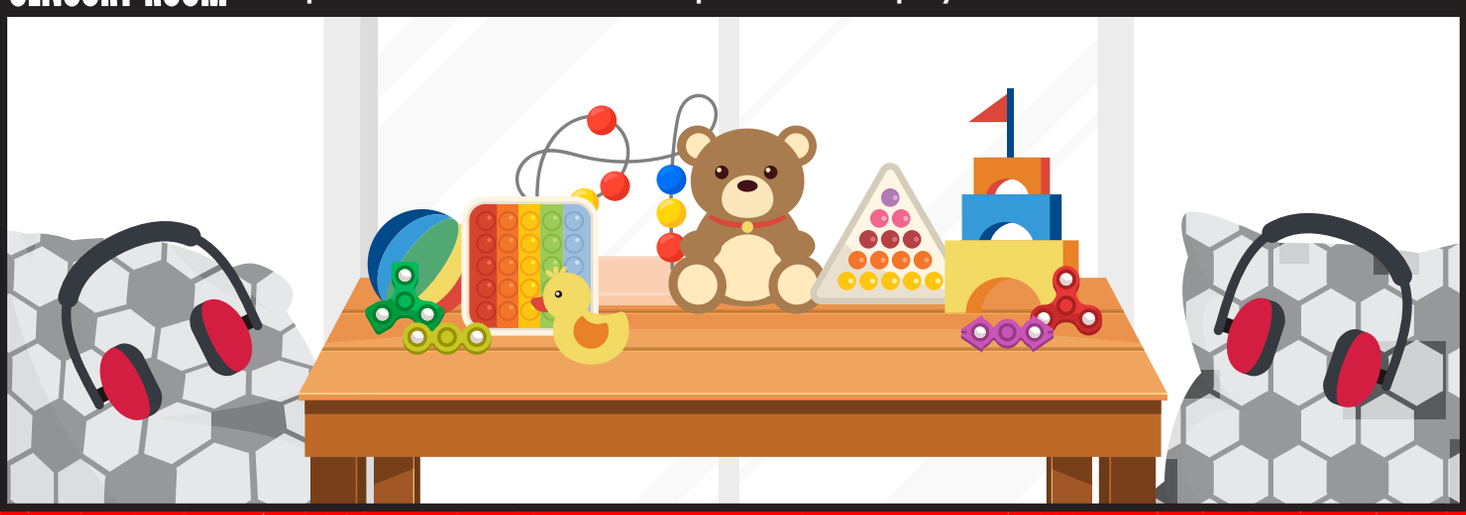
3. We might visit the club shop – Valley Superstore.

MEETING STAFF

4. We head towards the Alan Curbishley Stand to meet the staff who will be helping us settle into the box.
I may feel nervous but they will be very friendly and will get us settled in and feeling comfortable!

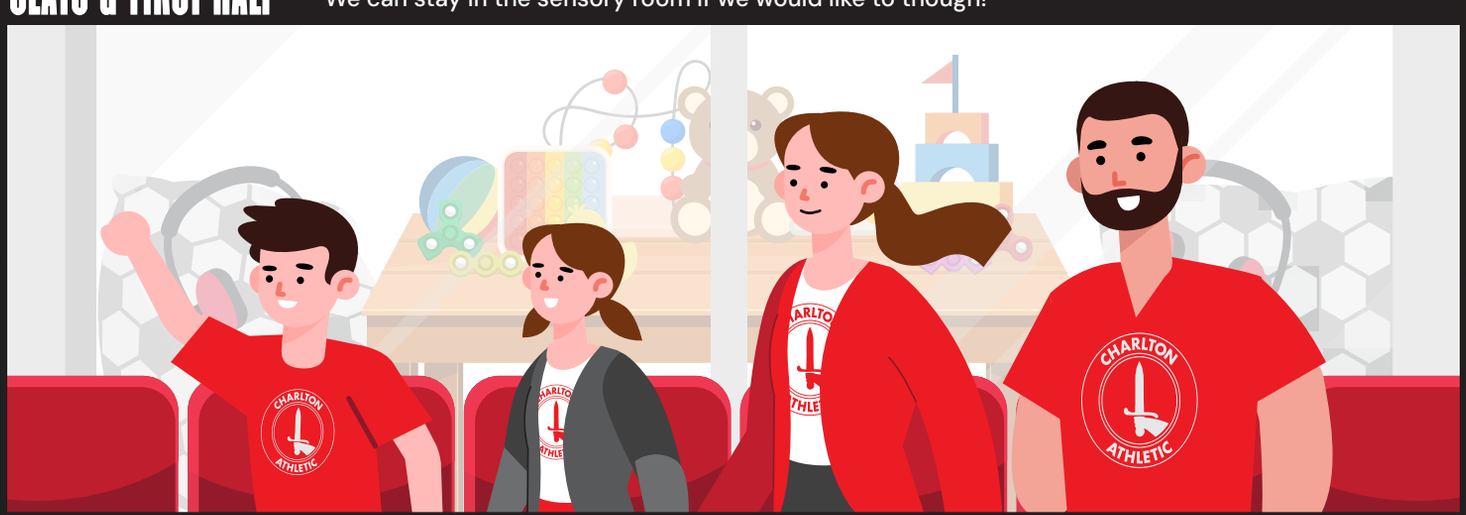
SENSORY ROOM

5. We go into the sensory room where there will be lots of toys and activities – plus the chance to see the pitch and the players!



SEATS & FIRST HALF

6. If we want to leave the sensory room, we can then go to our seats to watch the game.
We can stay in the sensory room if we would like to though!



HALF-TIME

7. At half-time I am able to go and get food and use the toilets.
This is available during the game as well though!
